

WINDSOR FISH & GAME ASSOCIATION NEWSLETTER

July 2013

Association President, Robert Law, resigned his position effective June 24, 2013. Mr. Law's duties will be assumed by Association Vice President, Perry Enfield.

The Association now has a mailbox address for all correspondence not involving membership. The address is: Windsor Fish and Game Assoc., P.O.Box 315, Windsor, Pa. 17366-0315.

Mr. E.T. Miklos has served as Membership Secretary for well over a decade and received an award for his service at the May meeting. Mr. Miklos' replacement is Board Member Richard Jennings who is working closely with "E.T." to effect a smooth transition.

The meeting day and time for the Board of Directors (BOD) is now 7 p.m. the Monday prior to the regular meeting of the club. Members are reminded that any comment or suggestion to be presented to the BOD for consideration should be in writing. Please give these comments or suggestions to any Director at the regular meeting.

The BOD has approved the placement of steel "swingers" at 100, 150 and 200 yards. These will be installed in the near future. If these targets are unduly damaged by inappropriate projectiles or vandalized, they will be removed.

The BOD has undertaken a study of available security systems in an effort to reduce inappropriate activities on Association property.

Plans for a separate handgun range are being studied. Currently, such a range is envisioned to the left of the current firing range and would permit users of each range to conduct their activities independent of the other.

Respectfully submitted
Richard Jennings, Membership Secretary
