---

This month there was much discussion concerning the status of the pistol range. Much further work is needed. If any member has access to bales of straw (or similar) for use in erosion control, please email the club using the email clicks on this site.

As trees are removed they are being trimmed for sale to commercial lumber processors or cut up as firewood. This firewood is for the benefit of those members who helped in clearing the land. **ANY firewood taken without the approval of the Board of Directors will be considered THEFT and will be reported as such.**

Members are reminded that they may bring one (1) guest with them to the range. This guest must pay a \$5.00 fee for range use, to be deposited in the lockbox near the firing line.

The subject of the signs posted on the borders of club property was discussed. Many of these signs need to be renewed or replaced. This matter is being addressed.

The steel silhouette targets that were placed downrange are being removed until a means of maintaining the targets (or other such steel targets) at a safe angle is determined.

**Two members were nominated for the office of President: Perry Enfield, Jr. and Daniel McWilliams. The election will be held at the November 4 meeting.**
