This month's meeting was relatively brief. Further efforts in creating the new pistol range were enhanced by the club's rental of a large front loader. The front loader suffered a "flat" when one of the tire's sidewall bumped something and the "bead" separated. However, that has been repaired.

The club has scheduled a .22-caliber "fun shoot" and "swap meet" (yard sale) where you may buy or sell hunting, shooting, fishing and sporting items. The event is to be held Saturday and Sunday, September 21 and 22. The Fun Shoot will be held Saturday morning and will consist of two classes: open sights and optical sights (dot sights and scopes). Signup begins at 10 a.m. and the event begins at 11 a.m. There will be Safety Officers appointed to control the range. There will also be prizes, a raffle and other fun things to do. If you have things to sell, you must supply your own table(s). Members can set up for free, non-members: \$5 each. If you desire, you can "camp out" overnight on Friday. Cost is \$10, members and non-members alike. The club sanitary facilities will be available, but, you may want to supply your own water for drinking. During the event days (Saturday and Sunday) the club kitchen is scheduled to be open with the usual offerings of "picnic fare" for sale. A BONFIRE is scheduled for Saturday night. You toasted marshmallow folks are all welcome!

REMEMBER: young children **MUST** be strictly supervised if on or near the firing range! Also, **ALL** people at the firing range **MUST** have appropriate eye and ear protection or they will be asked to remove themselves from that area. **NO EXCEPTIONS** to safe firearm handling practices will be tolerated!

A "Cleanup day" has been scheduled for s September 14. Please come to help if you can. Our lawn mowers have maintenance issues. If you can bring one to use, it will be greatly appreciated! Thanks!

Current club membership now exceeds 1,100.
